

Foundational Scripture

Psalm 40:2-3, "He lifted me out of the slimy pit, out of the mud and mire; he set my feet upon a rock and gave me a firm place to stand. He put a new song in my mouth, a hymn of praise to our God. Many will see and fear and put their trust in the Lord."

Our Goal

Our goal is to see Christ raise up an inner-city church with the strength and resources to impact our city. Our desire is to see this church continue to grow as a multi-ethnic organism that will meet spiritual and physical needs of individuals within our community. The local church is the key to urban ministry. It is the presence of the local church in the inner-city environment that will bring about social change. We believe that change will come about as individual members of the local church rise up and recognize their own biblical responsibilities before the Lord. We believe that it is the responsibility of the local church to raise up and properly equip indigenous leadership, that will in turn train others to do ministry service. Therein is discipleship.
