2 Corinthians is one of Paul's longer epistles, it speaks of God as the God of all comfort 1:3 . This epistle is not a rebuke as his first epistle was, Paul had received word that the church was doing what he had commanded . It is a very encouraging book with verses like " all the promises of God are Yes and amen". So come and join us for a great time together in His presence

Join us as we dive into the "Red Stuff". In many Bibles the words of Jesus are in red type. This is done to grab your attention and draw it to some pretty important stuff. We will take a look Jesus' parables, uncover what His message was, and see how it still applies to our lives today.
